Change of location at the Nice Airport Delivery and Return Center (CLR)

Starting on May 2, 2012, the Nice Airport CLR will be relocated inside Terminal 1, where the majority of Eurodrive clients do arrive.

After collecting their luggage, these clients will now be able to go directly to the TT CAR Transit desk, located right in the Arrivals Area. No need anymore to call ahead, exit the Terminal and take a shuttle to check in and collect the keys of the cars.

The few Eurodrive clients arriving at Terminal 2 will be able to transfer to Terminal 1 via the Airport Shuttle Service (5 minutes ride – Departures every 10 minutes).

Returns, while recommended at the new location, will remain possible at the « old » location until the end of October 2012.
